PRANJELY KHANNA

Textile Designer

PROFILE

I have done B. Sc. in the field of Textile Designing. During my course, I have developed keen interest to work on prints, textures and surface ornamentation. I am equally versed in handwork as well as working on digital platforms.

I am looking for a position where I can use my knowledge and skills to serve the organization and evolve continuously through learning. I am a logical thinker and enthusiast running on high motivation and positive attitude to achieve my goals and objectives.
